## IEEE 1680.1 WEEE DECLARATION

Teknoservice S.L declares compliance with the following criterions for the following product(s):

| Product(s):         | TTL TEKNOSLIM   |
|---------------------|---|
| Manufacturing Date: | 2018  |
| Criterion:          | IEEE 1680.1 4.3.1.1 Required—Identification of materials and components |
|                     | requiring selective treatment.  |
|                     | UE.D. 2008/98/CE.   |
|                     | UE.D. 2012/19/UE (WEEE).  |
|                     | R.D. 110/2015.  |
|                     | R.D. 710/2015.  |

Compliance with the above referenced criterion the <u>Table 1</u> shows the annex VII WEEE compliance.

| Table 1. Ref.: Annex VII Directive 2012/19/EU (WI  | EEE).  |                                    |  |  |
|--|--|------------------------------------|--|--|
| WEEE Contain (yes/No)  | Part   | Component                          |  |  |
| Polychlorinated biphenyls (PCB) containing capacitors in accordance with Council Directive 96/59/EC of 16 September 1996 on the disposal of polychlorinated biphenyls and polychlorinated terphenyls (PCB/PCT) (1).  |  |                                    |  |  |
| NO   |  |                                    |  |  |
| Mercury containing components, such as switches or backlighting lamps.   |  |                                    |  |  |
| NO   |  |                                    |  |  |
| Batteries.   |  |                                    |  |  |
| SI   | Ion-Lithium Button cell.   |                                    |  |  |
| Printed circuit boards of mobile phones generally, and of other devices if the surface of the printed circuit board is greater than 10 square centimetres.   |  |                                    |  |  |
| SI   | Printed Circuit USB.<br>Motherboard Circuit<br>Printed Circuit Power Supply. |                                    |  |  |
| Toner cartridges, liquid and paste, as well as colour toner.   |  |                                    |  |  |
| NO   |  |                                    |  |  |
| Plastic containing brominated flame retardants.  |  |                                    |  |  |
| NO   |  |                                    |  |  |
| Asbestos waste and components which contain asbestos.  |  |                                    |  |  |
| NO   |  |                                    |  |  |
| Cathode ray tubes.   |  | ·                                  |  |  |
| NO   |  |                                    |  |  |
| Chlorofluorocarbons (CFC), hydro chlorofluorocarbons (HCFC) or hydro fluorocar   | bons (HFC), hydrocarbons (HC).   |                                    |  |  |
| NO   |  |                                    |  |  |
| Gas discharge lamps.   |  |                                    |  |  |
| NO   |  |                                    |  |  |
| Liquid crystal displays (together with their casing where appropriate) of a surface discharge lamps.   | greater than 100 square centimetres and                                      | all those back-lighted with gas    |  |  |
| NO   |  |                                    |  |  |
| External electric cables.  |  |                                    |  |  |
| SI   | Power Cord<br>Power Supply   | Internals wires<br>Printed Circuit |  |  |
| Components containing refractory ceramic fibres as described in Commission Directive 97/69/EC of 5 December 1997 adapting to technical progress for the 23rd time Council Directive 67/548/EEC on the approximation of the laws, regulations and administrative provisions relating to the classification, packaging and labelling of dangerous substances (2).        |  |                                    |  |  |
| NO   |  |                                    |  |  |
| Components containing radioactive substances with the exception of components that are below the exemption thresholds set in Article 3 of and Annex I to Council Directive 96/29/Euratom of 13 May 1996 laying down basic safety standards for the protection of the health of workers and the general public against the dangers arising from ionizing radiation (3). |  |                                    |  |  |
| NO   |  |                                    |  |  |
| Electrolyte capacitors containing substances of concern (height > 25 mm, diameter > 25 mm or proportionately similar volume).  |  |                                    |  |  |
| NO Diameter <7mm.  |  |                                    |  |  |
| Cathode ray tubes: the fluorescent coating has to be removed, EN 24.7.2012 Official Journal of the European Union L 197/63.  |  |                                    |  |  |
| NO   |  |                                    |  |  |

| Equipment containing gases that are ozone depleting or have a global warming potential (GWP) above 15, such as those contained in foams and refrigeration circuits: the gases must be properly extracted and properly treated. Ozone-depleting gases must be treated in accordance with Regulation (EC) No. 1005/2009 |  |  |  |
|---|--|--|--|
| NO  |  |  |  |
| Gas discharge lamps: the mercury shall be removed.  |  |  |  |
| NO  |  |  |  |
